

Intro: Ooo (You have given me...)

V 1

Standing before Me
Dressed in Your pure robe,
Humbled I see,
You stretch out Your arm and Right hand to a door,
That's flung open wide,
Your head moves with it's flow
To the source of the glow,
I know who's inside...
My heart skips a beat, I jump to my feet,
As I realise

Chorus 1

*You have given me access
To The Father, Jesus,
You have given me access
To approach His throne
You have given me access
To come close to Him
You have given me access
To come back home*

V 2

I enter through, Into Your room
O Father Most High;
By the blood of Your Son,
By what He has done I can come.
Jesus Your sceptre,
Your Son, our saviour,
I have Your favour...
You beckon me, Into Your arms, I'm home at last!

*He has given me access
(He has given, He has given, yeah)
To You, dear Father
(You've have given Your all)

To approach Your throne,
(Jesus has given, He has given...)
Your Son has given me access (access, access)
(Yeah)*

*To come close to You
(Right up to You -it's up to you)
He has given me access
(So choose)
To come back home*
