

V1

You chose to come
And make your dwelling among us
You chose to come
And to live as one of us
In the person of Jesus Christ, In the person of Jesus Christ

Chorus

*You chose to leave your home
That helps me realise Your love
Down into the fibre of my core
My soul it yearns, cries out for you my love
'Cheer up- I'm here, remember what I said -
"It Is Finished!"'*

V2

Such gratitude
For the things that you have done
My heart feels warm at the
Thought of Your Son
The person of Jesus Christ,
The person of Jesus Christ

As You hung there
The wind blowing your hair
Matted and torn
Forsaken and forlorn
Your personage, Jesus Christ,
Your personage, Jesus Christ

Chorus

*(Up from the grave You rose again,
And You're alive!)*

Bridge

Death defeated, Heaven's greeted, Oh
By sinners repented, here-in we have entered
By Your love relentless

Chorus

It is finished!
