*Say Yeah, yeah, yeah, yeah,
come to me LET THEM, LET LIVE*

V1

Life's elations, are His revelations
Eyes open, as if just woken,
No longer bound by darkness
Now lifted by His lightness
We sing as one
Let live!

Chorus

*Say Yeah, yeah, yeah, yeah,
come to me LET THEM, LET LIVE
Say Yeah, yeah, yeah, yeah,
come to me LET LIVE,
Ooo, let live*

V2

Truth, justice, freedom for captives,
Hope, endurance are love's assurance,
From our knees in petition
To our feet in action
We shout as one,
Let live! Let Live!

Chorus

Coda

Let Live x2*
