

(In D)

V1

Give ear all you peoples, give ear,
Give ear inhabitants of Earth, give ear;
The heavens they tell of God's glory,
Night after night they reveal knowledge

Chorus

*There is no speech, nor words, from the stars
Yet their voice has been heard
Throughout the Earth
Their words to the ends, ends
Of the world
Yet there is no speech, nor words
That can be heard*

V2

The Word of God vaults across the skies
From sunset and back again to sunrise
Melting ice, scorching desserts, warming hearts,
"Have faith in the Son of God"
It cries!

Chorus

(Oo.. Can be heard..)

Chorus 2

He's a bridegroom
Rising like the morning sun
The Son rejoices
As He meets His one!
The marriage of The Lamb
It has come and into His arms, His arms
...We will run!

Bridge

*My King I love You
I run to you
My King I run to you
I love you*
